REGISTERED SITE EVALUATOR/PE LIST

A site evaluation may be performed by a Professional Engineer (PE) registered in the State of Montana or by a locally registered site evaluator. This is a list of PE's (not all-inclusive) and registered site evaluator's (all-inclusive). See Regulations for Wastewater Treatment Systems (effective June 27, 2004) for additional information. Gallatin City-County Health Department does not recommend any one PE or site evaluator. Registration files for these individuals are available for public viewing.

You are highly encouraged to obtain more than one estimate.
